VISION

Our Vision is to foster a learning environment based on St John's Gospel "That All May Be One".

We strive to make a difference by:

- Providing excellence in primary education
- Nurturing a living experience of faith
- Developing responsible citizens inspired for tomorrow's changing world
- Providing a supportive environment for families in partnership with the school and wider community.

School Rules

Treat each other with respect
Help each other learn
Keep ourselves and others safe
Wear our uniform properly
Care for our school environment

Purpose

This Policy outlines the belief statements about Pastoral Care and Welfare for children and families who attend St Bernard's Primary School, Batemans Bay.

Definitions

Corporal Punishment

Corporal punishment means physical force applied to punish or correct, and includes any action designed or likely to cause physical pain or discomfort taken to punish or correct (*Education Act 2004*).

We confirm the statement that St Bernard's Primary School does not permit corporal punishment of students attending the school, and that the school does not explicitly or implicitly sanction the administering of corporal punishment by non-school persons (including parents) to enforce discipline at the school.

Policy Goals

The goals of the Pastoral Care and Welfare Policy at St Bernard's Primary School are to:

- promote an atmosphere of mutual respect and support by establishing a network of Christian relationships among the students, staff, parents, clergy and the wider community;

- ensure that Pastoral Care and Welfare is integral in all that we do;
- increase communication between home and school;
- encourage and affirm each other;
- ensure that each member of the community accepts responsibility for the Pastoral Care and Welfare of others;
- respect the rights and freedoms of each individual
- respect confidentiality;
- ensure that students, staff and parents are supported by the processes in place to support all students; and
- promote restorative justice practices that build relationships.

At St Bernard's Primary School Pastoral Care is experienced:

Strategies

Teachers at St Bernard's agree to employ the following strategies to support the Pastoral Care and Welfare of all students:

Primary Strategies	Secondary Strategies	Tertiary Strategies
<ul style="list-style-type: none"> • Establish agreed Essential Agreements • Recognise positive student behaviours through 'Making Jesus Real' Program • Keep the students actively involved in tasks • Establish a time out area / opportunity within the room • Use Restorative Practices 	<ul style="list-style-type: none"> • Remind or restate classroom Essential Agreements • Recognise positive student behaviours through 'Making Jesus Real' Program • Allow time to complete tasks at lunch / recess • Time out space to reflect • Time Out Reflection (Appendices 1 & 2) • Involve Executive member to support teacher in monitoring behaviour • Contact parent / care givers 	<ul style="list-style-type: none"> • Use Restorative Practices to re-establish and rebuild working relationships • Recognise positive student behaviours 'Making Jesus Real' Program • Involve parents / caregivers • Develop work / behaviour contracts with student / parent / support teacher • Apply a team approach to moving forward, including the school Exec • Work closely with parents to monitor and support student contracts • Use external agencies including CEO and CatholicCare services

Restorative Practices

St Bernard's follows the principles of Restorative Practices when helping students, parents and teachers to resolve issues of interpersonal conflict. The Restorative Practices approach asks what has happened, who was harmed by what happened and what steps need to be taken to repair the harm. All parties involved in the conflict have the opportunity to voice their story and play a role in negotiating a resolution.

Implementation

The staff at St Bernard's Primary School agrees that Pastoral Care and Welfare seeks to protect personal and school community safety, heal destructive behaviours, restore relationships, encourage reconciliation, enhance wellbeing, foster responsibility, enable personal growth, and promote the common good.

The staff employs the philosophy of Restorative Practices to promote resilience in the one harmed and the one causing harm. Restorative measures help students learn from their mistakes, grow in self-discipline, take responsibility for their actions, recognise the impact of their actions on others, and reconcile and resolve conflict with others.

The teachers at St Bernard's Primary School agree to follow these practices:

- Acknowledge shared responsibility for all students;
- Negotiate and establish clear rights and responsibilities through developing Essential Agreements;
- Recognise the needs of individuals;
- Maximise students' ownership of behaviour through Restorative Practices;
- Maintain impartiality;
- Follow up and follow through (consistency) with parents; and
- Utilise wide support (peers, staff, counselling support and parents).

If an incident escalates to Step 5 (see page 6) or the seriousness of an incident warrants immediate intervention, a child will be removed from the classroom/playground and a phone call will be made to the child's parents by the supervising teacher the same day the incident occurs. A time-out will follow the next day at lunch-time with the Principal/Assistant Principal. The incident will be

discussed and the child will complete reflection questions (see Appendix 1). A letter will go home to the student's family notifying them formally of the incident following the time out, with a copy of their response sheet. Reflection sheets are filed in the Principal's office and formal letters are saved on the t-drive, under Behaviour Management. These are formatted in pdf as a record of behavioural patterns across the school. The family is required to sign the letter and return it to school as confirmation of receipt. Returned signed letters from parents are filed in the Principal's office. The Principal follows up with a phone call as required.

Essential Agreements and Rights and Responsibilities

The teachers at St Bernard's agree to implement Essential Agreements that incorporate agreed classroom and school wide rights and responsibilities. These Essential Agreements seek to be positive, specific and are explicitly taught to students. The Rights and Responsibilities outlined below are displayed in Years 2-6 classrooms. Modifications can be made in Years K-1 to simplify language used. These are taught within the first two days of Term 1 of each new school year, and revisited regularly.

Expectations

The teachers of St Bernard's Primary School expect that all students seek to promote the rights and responsibilities of each member of the community:

The right to be respected as a person The responsibility to show respect for other people

<ul style="list-style-type: none"> We always speak politely to everyone and do not use inappropriate language under any circumstances 	<ul style="list-style-type: none"> We show our respect for teachers and others working in the school We include others in all activities in the classroom and the playground 	<ul style="list-style-type: none"> We respect ourselves by having pride and being honest We ask a teacher to help if there is a problem
--	--	---

The right to learn The responsibility to let everyone have a chance to learn

<ul style="list-style-type: none"> We always praise and affirm others We respond quickly to the quiet signal 	<ul style="list-style-type: none"> We always begin lessons on time We show whole body listening We have a go and persevere 	<ul style="list-style-type: none"> We answer the bell promptly We listen when others are speaking
--	---	---

The right to feel safe at all times at school The responsibility to ensure that everyone in our school is safe

<ul style="list-style-type: none"> We do not bully or tease others under any circumstances We always remain in sight of the teacher on duty We play fairly and to the rules We wear the full and complete uniform to encourage pride in our school 	<ul style="list-style-type: none"> We show respect for others at all times and we accept responsibility for our actions We walk safely around the school We walk our bikes in the school grounds We are not to be in the classroom during recess or lunchtime 	<ul style="list-style-type: none"> We tell the teacher if we are upset or offended by another person; and we never retaliate We follow the 'NO HAT – NO PLAY' policy We line up quickly and quietly Before school, we stay in the undercover areas until a teacher starts supervision
--	---	---

The right to enjoy a pleasant, clean and healthy environment The responsibility to keep our environment as pleasant and safe as possible

<ul style="list-style-type: none"> We place our rubbish in the correct bins provided We respect the resources of the school 	<ul style="list-style-type: none"> We keep our personal belongings tidy, including our desks, work books and all school property 	<ul style="list-style-type: none"> We finish eating sitting down before we play at lunch and recess We tell a teacher if we see a problem
---	---	---

Consideration for Suspension

Suspension of a student is a school matter but should not be used in the first instance of undesirable behaviour unless the Principal judges that such behaviour could cause grave moral and/or physical harm to other persons.

In NSW, students may be suspended, provided the Principal is satisfied that such action is warranted, such as when a student:

- Demonstrates consistent and wilful non-compliance;
- Acts violently or threatens violence;
- Drug-related behaviour;
- Sexual harassment of other students or staff;
- Threatens good order and
- Disrupts own learning or that of other children.
