Dear Parents,

What a term! There have been many highlights including Catholic School’s Week, Confirmation, Excursions, Healthy Harold, Gala Days, the Swimming and Cross Country Carnival, Easter and some exciting learning happening across all years. I would like to take this opportunity to thank all families for the many ways you have supported St Bernard’s this term. I have enjoyed leading the school for the past twelve months and I look forward to our continued partnership next term. We welcome back Mrs Heffernan for Term 2, who is very much looking forward to returning and leading the St Bernard’s community. I would also like to say thank you to the Staff of St Bernard’s for their hard work and dedication to teaching. A special thank you to Mrs Valentini and Mrs Durnan who have stepped up to Assistant Principal and Religious Education Coordinator. Their leadership and support has been extraordinary. We have an amazing team of teachers at St Bernard’s! Finally I would like to thank our students for their effort and commitment to their learning at St Bernard’s. It is our students who make our school!

Congratulations to Keira L, Jackson B, Samuel B and Timothy M who competed at the NSWCPS Swimming Carnival in Sydney last week. A special congratulations to Samuel and Jackson B, who both won medals in the 50m Freestyle and will now compete at the PSSA State Titles yesterday in Sydney. What a fantastic effort! We are very proud of you all in your representation of St Bernard’s. We wish Jackson and Sam all the best next week.

ANZAC Day - Saturday 25 March

ANZAC Day is one of Australia’s most significant occasions. We are reminded of those who fought for Australia and New Zealand in the First World War. On Monday 25 April, I will accompany the students in the ANZAC Day March. I encourage all our students to be involved. Children are asked to wear their full school Summer uniform. We will meet at the rear of the Soldier’s Club by 10.15am. I look forward to seeing many of our students at this significant event.

Sports Uniform Shirt

Over the last 12 months there have been some ongoing concerns raised about the colour of our Sports Shirt. Parents have been finding it very difficult to keep them clean. As a result, the School Board and the Parents and Friends Committee have been exploring other options and last week the School Board made a decision to change the Sports Shirt from predominantly white to navy blue. Over the next 2 years we will begin to phase in the new navy and white shirt with red trim. I have met with both Uniform Shop suppliers, Hip Pocket Workwear and Stitches, and the new t-shirts will be available to purchase in mid July. They will look great!

CLAIM THE DATE: PARENT INFORMATION SESSION MONDAY 30 MAY

You may remember last year we hosted Associate Professor (Adjunct) Kaye Lowe who presented a workshop to parents on helping children read. Parents who attended thought Kaye’s presentation was outstanding. Jane Hardman, who is leading our Early Learning Initiative, is working very closely with Kaye Lowe with our focus to improve literacy outcomes. Kindergarten to Year 2 parents have received strategies from Kaye to assist with reading at home. The Workshop will provide parents with a range of strategies to assist children who are struggling with reading, learning how to support their children achieve independence in reading. Associate Professor (Adjunct) Kaye has extensive experience working in literacy from pre school to adulthood. She works on a regular basis with struggling readers who are disengaged and disinterested in learning in both secondary schools and K-6. This is an opportunity not to be missed. Professor Kaye’s website is www.read4success.com.au  The staff look forward to sharing in this experience with you. I would encourage all parents to attend.

Have an enjoyable and safe holiday with your family.

Message from Fr John

There is a universal sense of a call which is more than what we are called to do with our lives. There are questions in life which are not answered, which move beyond the superficial. We know how easy it is to classify people by their work, by their successes or by what they own. There is something which allows us to be familiar with the arena in which we work, which provides us with some security and sense of worth. However, this can be sorely tested if we are asked the question about whether this is all that we are called to be? When our life is too closely identified with our occupation or our daily activity. We can start to think that we only have value when we are doing things which appear worthwhile. Yet the deeper question that Jesus asks is, who do we love when we do what we are doing? This is more than just being lost in activity but allowing us to discover that our humanity is expressed in who we love, so that we can love what we are doing. How do I understand this call that Jesus places before us?

Dear Parents

Over the past few weeks I have had the opportunity to see the great work students have been creating in RE in classrooms as a culmination of activities for the term. It is wonderful to see the connections students are making between the Church and our living Church as Jesus’ people. For example in Year 5 students have been making the connection between how our Indigenous Australians cared for our land and how as Christians we care for creation today and always. It is great to see the links between History, RE and our day to day world. It has been a wonderful term of exciting units of work in classes and I urge you to pop into your child’s classroom to see what they have been learning.

ANZAC DAY SERVICE
This year ANZAC day on April 25 falls at the end of our school holidays. We are strongly urging students to join with staff and families to attend and represent St Bernard’s in the Batemans Bay march. We are asking families to please meet us at 10.15am to assemble to start the march in their school uniform. On our first day back for Term 2 we will be starting the day with Mass at 9.15am. During this Mass we will be reflecting on the difficult times that our service men and women endured and how we today are thankful for their service. We also have Samuel L in Year 6 working very hard practicing with his trumpet to assist us with the Last Post at the end of this Mass as we leave in silence.

SACRAMENT OF RECONCILIATION ENROLMENT EVENING
On Wednesday 11 May at 7.00pm we are hosting the enrolment parent meeting for children in Year 2 and older who are interested in making their First Reconciliation in the Catholic Church. Many of us ‘oldies’ may remember our first Confession, but today we refer to this as reconciliation. It is not a daunting experience at all and is a great opportunity for children to take their next Sacrament after baptism. The enrolment and information evening will be held in the iCentre. If you have any questions or would like further information, please feel free to speak to your child’s teacher, Julie Valentini or myself.

THANK YOU
I just wanted to extend a huge thank you to all families for your support this term. I have had the wonderful opportunity to step into the REC role for Term 1 and I am looking forward to continuing to support the developing Religious Life of our school back in the classroom. Julie Valentini will be taking on her role as appointed REC and I know she is looking forward to working in partnership with you to ensure we have a positive faith filled community in the future. Thank you for your many positive comments this term about your experiences and your child’s this term in the Religious dimension of our community – it is great to hear such positive feedback. Thank you once again.

Dear Parents

In recent weeks, staff have updated the policies and procedures relating to Homework and Anti-Bullying. Both policies closely reflect the changing needs of today’s students, curriculum requirements and current research. Each policy outlines the roles and responsibilities of the teacher, the student and the parent in ensuring that procedures are understood. The policies have now been uploaded to the school website for your reference.

I have added a snapshot below of each of the policies;

**Homework Policy**

**Suggested time spent on Homework:**

**Kindergarten to Year 2**
- Every child should read for 10 minutes daily. This may include reading to an adult, reading with an adult or being read to by an adult.
- Additional tasks linked to units of inquiry may be set at times. For example, bring in a photo that relates to a topic being studied in class.
- Children will also have the option to complete tasks on Studyladder and/or Reading Eggs.

**Years 3 and 4**
- Every child should read for 10 minutes daily.
- Written homework that complements work already taught in class should not exceed 15 minutes per week.
- Students in Year 3 will also have the option of Studyladder and Reading Express.

**Years 5 and 6**
- Every child should read for 20 minutes daily.
- Written homework that complements work already taught in class should not exceed 30 minutes per week.
- Additional open ended tasks linked to units of inquiry may be set at times.

**Anti-Bullying Policy**

**Definition**

Bullying is the misuse of power, position and privilege. It is targeted and repeated. It is done to intimidate, coerce, to engender fear, and to control. Bullying can take a number of forms:

- **Physical:** Pushing, kicking, hitting, pinching, threats.
- **Verbal:** Name calling, sarcasm, spreading rumours, persistent teasing, swearing.
- **Emotional:** Excluding, tormenting, ridicule, humiliation.
- **Racist:** Racial taunts, graffiti, gestures.
- **Sexual:** Unwanted physical contact or abusive comments.
- **Cyber/SMS:** Sending inappropriate messages by internet or mobile phone.
- **Covert Bullying:** Baiting behaviour, indirect, non-physical.

**Examples of bullying include:**

- Any form of repeated physical violence such as hitting, punching or kicking others.
- Interfering with another’s property by stealing, hiding, damaging or destroying it.
- Using offensive names or spreading rumours about others and their families. Using put downs, belittling others’ abilities and achievements.
- Writing offensive notes about others. This includes writing offensive words.
- Using ICT to spread rumours about others, or to threaten others.
- Hurtfully excluding others from a group.
- Using intimidation in order to force others to act against their will.
- A group of students, operating as a unit, verbally or physically harassing another student. This behaviour need not be repeated to be considered an example of bullying.

Conflict or fights between equals and single incidents are not defined as bullying. **Bullying behaviour is not:**

- children not getting along well
- a situation of mutual conflict
- single episodes of nastiness or random acts of aggression or intimidation.

For information regarding either the St Bernard’s Homework Policy 2016 or the Anti-Bullying Policy, please visit our website at http://stbernardsbb.nsw.edu.au or come and speak to a member of the executive.

Wishing you a happy and safe break,

MacKillop Trials Swimming
Last Thursday, four students from St Bernard’s travelled to Sydney to compete at the MacKillop trials swimming Carnival. Our students were Sam B, Jackson B, Keira L and Timothy M. Our students swam exceptionally well and had a fantastic day! Keira L swam a very impressive 6th in Butterfly and 12th in Freestyle. Timothy made a second personal best time in Butterfly, swimming the event in 38 seconds and also swam another PB time of 34 seconds in his freestyle event. Both Sam and Jackson B were successful in making it into the PSSA Swimming Championships this week in Sydney for 50m freestyle as well as other events. Well done boys! Congratulations to all our swimmers! You should be very proud of your achievements.

Cross Country
Today we held our St Bernard’s School Cross country. The Students have been training very hard during PE sessions. I look forward to sharing the results with you after the school holidays.

Rugby Union Trials
Nominations are now open for any student in Year 5 or 6 who would like to trial for the Archdiocesan Rugby Union team. The trials are being held in Yass on Monday 6 June at Walker Park. It is important to note that only students who play tackle rugby union or have played competitively in the past are able to trial for team selection. For an information note, please either email me at megan.grant@cg.catholic.edu.au or collect a package from me at school.

PE Teacher/Sport Coordinator
Year 5 have been busy exploring 2D and 3D shapes in our environment during numeracy rotations.

Students have been hands on making regular and irregular polygons outside the classroom. They did this using large protractors to accurately measure angles and metre rulers to measure length.

They also took a 'Shape Walk' around the Lean-To, to identify and label the 2D and 3D shapes in that space. They then listed and compared their findings.

Other groups used geoshapes to copy a range of 3D nets to accurately recreate and draw them.

Some students used protractors to accurately calculate angles and to compare right, obtuse, acute and complementary angles.

Other groups used Ipads to look at 3D shapes from a range of perspectives, then draw and name the shapes.

Students have enjoyed the hands on activities and are developing a solid understanding of 2D and 3D shapes in our environment.
