Dear Parents,

A Mother’s First Day of School Prayer

I wonder what you’re doing now,
And if everyone is treating you kind.
I hope there is a special person,
A nice friend you can find.
I wonder if the teacher knows,
Just how special you are to me.
And if the brightness of your heart
Is something she can see.
I wonder if you are thinking about me,
And if you need a hug.
I already miss the sound of your voice
And how you give my leg a tug.
I wonder if you could possibly understand
How hard it is for me to let you grow
On this day know that my heart breaks
For this is the first step in letting you go. (Author Unknown)

I hope your child/ren have had a wonderful start to the term and you are hearing the excitement in their voices as they embark on a new year with new learnings and challenges! Over the last week I visited the students in their classrooms and spoke with many on the playground. It was great to hear that they have settled in to their new classes and are enjoying being back at school with their friends.

Welcome...

A very special welcome to our Kindergarten students who began their first day of school this week. It was lovely to begin the day with a morning tea, with many new families coming together and sharing their stories. Reflecting on my own child’s first day, as a parent I remember feeling nervous, excited and happy that I could be there with my child. We are looking forward to sharing in your child’s educational journey for the next 7 years at St Bernard’s.

We’ve welcomed the Debono family and Vecchi family to St Bernard’s this week. William D commenced in 4M, Antonio V in 4S and Calli V in 5M. A very warm welcome to you all!

2016 Student Leadership Team

Congratulations to our Year 6 students who were elected last year to the Student Leadership Team for 2016. Our School Captains are Alana G and Samuel B. The Student Representative Council (SRC) members include Emma M, Isabella F, Kobi B and Jake B. The Sports Captains are as follows: Mackillop Jakob B and Anna T; Lourdes Jack M and Sophie C; Tenison Ethan B and Peri C; and Clairvaux Janaki C and Christopher U. These students will receive their leadership badges and be acknowledged formally at our Opening School Mass on Friday 19 February at 9.15am in the church. All families are most welcome to attend.

School Board Positions

Two positions have become available on the St Bernard’s School Board. Mr Geoff Hatton has completed his time at St Bernard’s and Mrs Christine Elwes has resigned from her position. If you are interested in nominating another parent or yourself for this position, please complete the attached nomination form and return to the school office by Thursday 18 February. A copy of the Constitution for Catholic Archdiocesan School Boards, detailing Criteria for Membership can be collected from the office or downloaded from our school website. If more than two parents are nominated an election will follow. On behalf of the St Bernard’s community, I thank Christine and Geoff Hatton (School Board Chair) for their time and commitment to St Bernard’s school community. Their dedication and genuine desire to support our school has been most appreciated.

Dear Parents and Carers

‘You are like the light for the whole world….’ (Matthew)

God has given each one of us our own individual gifts and talents. We pray today that each of us will recognise the gifts we have and use them, to make our school and our world a better place.

This will be the focal point for prayer in classes this week as we continue to unpack our school expectations recognising that WE ARE ALL LEARNERS. This reading reflects that we all have different strengths we bring to our classes and playground and to use these strengths to assist others.

ASH WEDNESDAY

Next Wednesday, 10 February is Ash Wednesday and marks the beginning of our Season of Lent, a special time in our Church and school community where we reflect on the mystery of Jesus’ life and death and renew our sense of who we are, before God, and on our life’s journey. Lent is a period of forty days from Ash Wednesday to Holy Saturday and it provides an opportunity for us to take time away from the noise and activity of daily life to pray and reflect.

To mark the beginning of our Lenten journey, ashes are blessed and marked on the forehead of people in the form of a cross at our Ash Wednesday Mass. This is a reminder that we are trying to live the Christian life well. All of the children and adults will receive a cross of ashes on their forehead on Ash Wednesday. We wear this cross on our foreheads as a sign of our willingness to open our hearts to the grace of God in a special way during the time of Lent. Students from Years 1-6 (Kinder rest day) will attend Mass with the Parish at 9.15am in the Church and it would be wonderful if you were able to join us.

Back in our classrooms, we signify the change of the Church’s calendar by changing the colour of our prayer cloths to purple to signify reflection, and we will also place a bowl of ashes on our prayer space to remind us of our commitment for Lent. Students will also be given Project Compassion boxes and over Lent we will work towards helping others in our community and world that need assistance. More information will come in next week’s newsletter.

CONFIRMATION ENROLMENT MEETING

We will be hosting our St Bernard’s Parish Sacrament of Confirmation Enrolment Meeting on Tuesday 9 February, 6.00pm in the iCentre. This will be an information session for parents and children interested in taking the next step in their faith journey. Fr John will be outlining the support and process as part of the Sacrament of Confirmation. As it is Shrove Tuesday we will also be serving pancakes as a light supper. If you would like further information, please feel free to contact myself or the St Bernard’s Parish office on 4472 4153.

Thankyou,
Carla Durnan
Religious Education Coordinator Acting
Dear Parents

A warm and friendly welcome is extended once again to all new families joining the St Bernard’s community. In particular, we welcome our Kindergarten 2016 students and parents. We look forward to a long and productive partnership with you through your time at St Bernard’s.

School Interviews

On Wednesday, you would have received information regarding Parent Introductory Meetings. These interviews will be conducted on Tuesday 16, Wednesday 17 and Tuesday 23 February (Weeks 4 and 5). There are some classes with variations to these dates mainly due to teacher Professional Development commitments. This year we are again using the online booking system at www.schoolinterviews.com.au. Please follow the prompts on the note that went home with your child on Wednesday. If you require another copy, please contact the front office.

Please be aware that this system works on a first come first served basis. If you have more than two students at the school you are advised to book sooner rather than later. For those who require interview times outside the available slots, you will need to make alternative arrangements with the teacher. It is suggested that you do not make back to back bookings. The booking form will be open from 4.00pm Thursday 4 February. Bookings will close on MONDAY 15 FEBRUARY 5.00pm. I strongly encourage all parents to attend these interviews as they are a great opportunity to:

- learn more about your child’s academic, emotional and social development
- meet and get to know your child’s teachers
- help your child’s teachers understand more about your child
- make plans with the teacher about how you can both support your child
- build a relationship with your child’s school.

Even if you don’t have any particular concerns, attending the interviews is one way to show your child that you’re interested in his/her learning needs and what’s happening for him/her at school. Of course, if you do have concerns, it’s a chance for you to raise them with your child’s teacher if you haven’t done that already.

Below are some commonly asked questions which may offer you further assistance;

1. I HAVE FORGOTTEN HOW TO ACCESS THE SITE AND THE SCHOOL EVENT CODE?
   Go to: www.schoolinterviews.com.au. Type in the code DVENH in the Event Code and press GO.

2. I DON’T HAVE A COMPUTER AT HOME or AT WORK. CAN I STILL PLACE A BOOKING?
   Yes, you sure can. The school has set up an iPad so that you can just come into the office and do it yourself or with assistance. Alternatively, you can ring the office and they will access the site and make the booking on your behalf.

3. I BOOKED FROM MY HOME COMPUTER THEN TRIED TO CHANGE MY BOOKING AT WORK AND I COULDN’T FIND MY BOOKING/ I MAY HAVE DOUBLE BOOKED.
   You can change your interviews at any time, from any computer. If you use a different computer to change your booking, you need to enter your information in exactly the same way as you did the first time. If you use a different email instead because you are at work, it can create a double booking. Teachers will spot a double booking straight away. It rarely happens and it is very easily fixed. You just need to click on Reschedule bookings and delete the interview and the names that no longer apply. The same applies if you need to change a booking. If you have any issues, questions or concerns regarding this process, please don’t hesitate to come and see me.

Afternoon Pick-up

Your child’s safety is of paramount importance to us. Please notify your child’s teacher of any changes to their afternoon routine. If your child is catching a bus, please write a note/email with the bus number and the days it is to be caught. If your child is being picked up from Walkers, please wait at the church car park. The students will be walked up the hill and will wait in the covered area to be picked up by a parent. They will not be allowed to walk into the car park without a parent. If someone else is picking up your child, you will need to provide a note to the classroom teacher with the details. In the event of wet weather, please collect your child from the Lean-To.

Have a lovely week with your children!

Julie Valentini
Assistant Principal (Acting)
Welcome back to school for 2016!

I have included two articles for your reading this week. The first explains the use of differentiation in our classrooms while the second reminds us how to best regulate digital platforms in the home.

Differentiation will be formalised using a Learning Matrix and Personal Plan for identified students in the coming weeks. Parents are a vital component of this discussion, as it is from here that SMART goals will be set and assessed for Semester 1.

What Is Differentiated Instruction?
Sourced from an article by Carol Ann Tomlinson

Differentiation means tailoring instruction to meet individual needs. At its most basic level, differentiation consists of the efforts of teachers to respond to variance among learners in the classroom. Whenever a teacher reaches out to an individual or small group to vary his or her teaching in order to create the best learning experience possible, that teacher is differentiating instruction.

Teachers can differentiate at least four classroom elements based on student readiness, interest, or learning profile:

- **Content** – what the student needs to learn or how the student will get access to the information;
- **Process** – activities in which the student engages in order to make sense of or master the content;
- **Products** – culminating projects that ask the student to rehearse, apply, and extend what he or she has learned in a unit; and
- **Learning environment** – the way the classroom works and feels.

PARENT TIPS FOR THE DIGITAL WORLD

Treat media as you would any other environment in your child’s life.

The same parenting guidelines apply in both real and virtual environments. Set limits; kids need and expect them. Know your children’s friends, both online and off. Know what platforms, software, and apps your children are using, where they are going on the web, and what they are doing on line.

www.everychancetolearn.com

Please don’t hesitate to contact me if there is anything you wish to share about your child’s learning needs as differentiation and planning begins for the new school year.

Fondest regards
Sharon Beashel
Coordinator/ Learning Support teacher

Makerspace

Hi Everyone

There have been lots of delighted gasps as students have returned to the iCentre because it is looking amazing. I would like to thank Theresa Hopman and William Burtenshaw for volunteering many hours of their time to create such an awesome space for our children to tinker. Whilst Theresa never wants to see another laminated letter again, William is available to paint custom designed murals and screen printed t-shirts. william_burtenshaw@hotmail.com

The Makerspace will be back in action starting next Thursday.

Please drop in to check our amazing space.

Code Club

I will be running a code club during lunch time on Wednesday. The program Google CS First is a creative and fun way for students to learn computer science. Her books have proven particularly successful with ‘reluctant readers’. They have plenty of action, humour and ‘gross stuff’ to get kids reading. Her books and visit will suit Kinder to Upper Primary students.

Students will attend her sessions in Stage groups during the day.

Cost for the author will be $1.00 per child.

Permission notes for this event will be sent home.

Susan’s books can also be ordered on line from her website at a reduced price. Please see her flyer in the newsletter for more details.
